

May 10, 2010

Dear Parents,

This Thursday is our annual field trip to Frenchglen Elementary School for Career Day. **We need to leave Drewsey by 7:30 am.** The festivities start at 8:45 am with registration followed by the opening ceremonies. A free lunch will be served to all attendees at noon. **It is your responsibility to provide transportation to Frenchglen. I am driving and have room for four students. Please make arrangements. Thank you.** Career Day will end at 2:45 pm., and we should be home by 4:30 pm.

The “Tooth Taxi” people emailed me and here is the gist of their communication:

Regarding the travel to Frenchglen: “...the travel to Frenchglen for screening is on **Tuesday a.m. at 9:00,** and at that time based on need and other qualifying factors; if a student were selected for treatment we would treat them so a 2nd trip would not be necessary (the Tooth Taxi vehicle will not be there on Monday, just a dr. screening without the Tooth Taxi). **If you could please let me know by Wed. May 12th how many we can expect for screening on Tuesday morning.**”

Please get back to me before Wednesday, May 12, 2010, so I can let the “Tooth Taxi” people know how many to expect. Thank you.

Sincerely Yours,

Drewsey Staff
