

Thursday, April 8, 2010

Dear Parents and Guardians,

There are two different dental events taking place before school is out. First involves the **“sealant procedure”**, which will take place on **Monday, April 26th in Drewsey at the Hall**. Shanda Dunten, Registered Dental Hygienist, is the area coordinator and she will be in Drewsey to work with our 1st-5th graders. The yellow forms that went home with your student(s) need to be returned to Mr. or Mrs. Gonzales by April 19, 2010. The second dental event involves the **“Dental Foundation of Oregon “Tooth Taxi”**. This is completely different from the sealant program. There are registration forms for the “Tooth Taxi” and need to be completed and returned to either Mr. or Mrs. Gonzales by Tuesday, May 1st. On Monday, May 17th a dentist with the “Tooth Taxi” will be in Drewsey to screen the possible patients. The “Tooth Taxi” will be in Frenchglen on Tuesday and Wednesday, May 18-19th. It will be up to you to provide transportation to Frenchglen.

I hope this helps. If you have any questions please contact the respective agencies with your concerns. Thank you.

Sincerely Yours,

Drewsey Elementary Staff
